EDUCATION

2018 – Present **BE in Electrical/Control/Communications/Computer Engineering**
2012 – 2018 **Second Level Education at Templeogue College**

Award expected: Bachelors of Engineering in Computers and Communications

2019/2020 Results:	Communication Networks 1:	84%
	Computer Architecture 1:	94%
	Intro to Electrical Energy Systems:	86%
	Programming 1:	90%
	Signals and Systems:	77%
	Software Development:	88%

Relevant Subjects:

- 2020/2021: Computer Architecture 2, Digital Communications 1, Communication Networks 2, Mathematics 4
- 2019/2020: Programming 1, Software Development, Computer Architecture 1, Communication Networks 1, Mathematics 2, Mathematics 3
- 2018/2019: Engineering Computing, Mathematics 1

Projects / Case Studies:

- [Computer Architecture 2 Module Project](#): Implement an insertion sort algorithm in x86 assembly to sort a string input by the user to alphabetical order and return the sorted string to a C++ program.
- [Software Development Module Project](#): Gain a better understanding of OOP concepts and pointers.
- [Darwin 1v1 League](#): This is an on-going project, started in November of 2020 consisting of website with a frontend written in React JS, a Node JS backend, MySQL database and a Python Discord bot.
- [Implementation of Dijkstra's Algorithm](#): An implementation of Dijkstra's, shortest path algorithm in C++

Technical/Laboratory skills:

- Proficient in C/C++ and Python
- Confident in the Linux command line, and in Matlab/Octave
- Experience with JavaScript (Node JS and React JS) and MySQL
- Experience with OAuth2 for authorisation and website login

2012 to 2018 Leaving Certificate: Templeogue College, Templeville Road, Templeogue, Dublin 6W. Subjects (All Higher Level): English, Irish, Spanish, Maths, Physics, Business, Art

EMPLOYMENT RECORD / EXPERIENCE:

September, 2016 – August, 2020 Phoenix Gymnastic, 34B Lavery Avenue, Park West, Dublin 12
Gymnastics Coach and Judge

- Good Communication Skills: to give clear understandable instructions so children can understand.
- Answering Questions from Parents and dealing with complaints
- Volunteering to Judge at Regional and National Competitions year round
- Managing large groups of people at competitions and displays

June, 2019 – August, 2019 An Post, Customer Services, Ground Floor, GPO, O'Connell Street, D1
Customer Services Clerk

- Dealing with all customer queries for a range of An Post services
 - Communicating clearly to customers what the best course of action is for their query
 - Quick decision making to determine what should be done to help the customers query
-

SKILLS and PERSONAL QUALITIES

- Team work: after training at an international level on a gymnastics team for 10 years, I've learned to work well with others, as well from working in a small team running a large online community of over 800 people
 - Interpersonal Skills: Working in Customer Services for 3 months greatly improved my interpersonal skills and ability to work with all kinds of people
 - Self-Motivated: I taught myself Python, JavaScript and MySQL and have spent many hours writing automation scripts and websites for both myself and also large online communities
 - Communication Skills: Gained from working around people often, while working as a gymnastics coach for 4 years and working in Customer Services for An Post
 - **Languages:** English (native, fluent); Spanish (CEFR: A2)
 - **Training completed:** Level 1 Regional Gymnastics Judge
-

INTERESTS AND ACHIEVEMENTS:

Associations:

- LinkedIn: <https://www.linkedin.com/in/pierce-lowe>
- GitHub: <https://github.com/Pieloaf>
- Website: <https://pieloaf.github.io>

Certificates:

- [Google Analytics for Beginners](#) (June 2021 – June 2024)
- [Google Tag Manager Fundamentals](#) (June 2021 – June 2024)

Other Activities:

- Administration for various online communities of 100 – 800+ members, hosting events, moderating content, developing bots (Python) and websites (Node JS, React JS and MySQL).
 - International Competitive Gymnast for 10 years, travelled to Spain, Poland, Iceland, Italy, Belgium, Scotland, England, both for training and competing.
 - 2019 Reykjavik International Games: 2nd Place Rings; 2nd Place Team; 3rd Place Parallel Bars
 - 2017 National Championship: 3rd Place All-Around
-
